

# GETTING YOUTH OUTDOORS

*2018 Banquet & Auction*

# Welcome!

Dear Friends and Fellow Outdoor Supporters,

Welcome and thank you for supporting the first Heartland DSC Banquet!

Newly established in 2017, Heartland DSC is thrilled at the high level of response we have received through membership growth and outdoor industry excitement about our organization and our mission.

Heartland DSC has already been able to provide local youth the opportunity to be outdoors participating in fishing, archery and other activities. For many of the young participants it was their first time doing these types of activities. With the funds raised at this event we will be able to increase our youth activities during the upcoming year.

While our efforts are focused on all youth, we are putting a special emphasis on introducing outdoor activities to those youth that may not otherwise have the opportunity due to disabilities, lack of accessibility, or other life circumstances.

Heartland DSC has worked very hard to attract outstanding auction items from reputable outfitters and donors who have graciously donated to the organization's efforts and mission. Heartland DSC encourages you to place your bids with confidence and in the spirit of providing the funds necessary to further the organization's objectives while obtaining goods and services for your enjoyment.

Again, thank you for your support and have a wonderful evening!

# About Heartland DSC

Heartland DSC is the local chapter of Dallas Safari Club (DSC) with members throughout Iowa and Nebraska. Heartland DSC was formed by a group of local individuals that would rather spend their time hunting, fishing, or generally enjoying the outdoors rather than virtually anything else. Building on the foundation principles of DSC, Heartland DSC is focusing these efforts with the primary goal of **“GETTING YOUTH OUTDOORS.”**

While there are many very worthy outdoor organizations that encompass youth activities as part of their overall mission, Heartland DSC has identified youth as our primary mission. We realize that if hunting, fishing and other outdoor activities are to remain a viable part of our society, it will be the youth that preserve them into the future. We will work towards this goal by educating them on the benefits of embracing the outdoors by introducing them to all the outdoors has to offer.

It will be these next generations that will become voting citizens and determine the future of outdoor activities, wildlife and wild places.

Heartland DSC encompasses the entire states of Iowa and Nebraska and focuses its outdoor activities to those common to this part of the country. The chapter offers sportsmen and sportswomen an avenue to come together in a variety of events ranging from social outings, fund raising and educational events

## ITEM 006 - SUPPORTING A SPECIAL CAUSE

The purchase of Auction Item 006 not only provides the buyer with a fabulous opportunity to experience a trip of a lifetime for both themselves and a youth, it also gives them the satisfaction of knowing that proceeds from this purchase will go to support a very special cause.

Not just a tag line, our goal of "GETTING YOUTH OUTDOORS" is focused on ALL youth. We don't want to ever have to say, "Sorry, we can't take your child, grandchild or neighbor outdoors because it is too muddy or the snow is too deep and we have no way to get them to a blind, or across a field, or to a pond to go fishing". For this reason one of our highest priorities is to raise the funds to obtain at least one \$20,000 Action Trackchair. Then we will never have to say no to you or a disabled youth.

Once we have achieved this goal, we will reach out to other hunting, fishing and outdoor organizations to make it available to them allowing even more youth to get outdoors. This is a win-win! This lets every kid that wants to experience the outdoors do so and all of us, no matter what organization we belong to, all work together securing our future in the outdoors by "GETTING YOUTH OUTDOORS."
